Quick Reference Guide

Using The Voicemail System

The voicemail system is menu driven. Listen to the voice prompts and then press the keys on your phone to select which option you would like.

Accessing Voicemail

The first time you access your voicemail box, you will be asked to set up your mailbox, and record your name and a greeting to be played by callers (see page 2). When you have one or more unheard voice messages waiting, your phone will display a solid red light on the top of your phone.

From Your Own Phone:

- Press the Messages button or dial *318.
- Enter your voicemail password.
- If you have new messages, the messages will be identified.
- After hearing any new messages, you will be presented with the Voicemail Main Menu.

From Another Phone:

From an external phone either:

1. Dial the voicemail access number specified by your administrator.
2. Dial your company's main telephone number and press # (if your company has configured it this way)

- When prompted, enter your 10 digit number.
- When prompted, enter your voicemail password + #
- If you have new messages, the messages will be identified.

After hearing any new messages, you will be presented with the Voicemail Main Menu.

Replying to a Message - Dialing the Originator

- While listening to a message, you can call the person back by pressing 4 and selecting option 1.
- The capability will not work if the voicemail system was not able to identify the Caller ID information when the original voicemail was received or if your phone is configured with call restrictions which prevent you from calling the originator's number.

Changing Your Voicemail Password

- Access your voicemail box.
- From the Main Menu, press 4 to change your settings.
- Press 3 for security options.
- Press 1 to change the PIN

Recording Your Personal Greeting

- Access your voicemail box.
- From the Main Menu, press 3.
- To set up a personal greeting, press 1.
- To set up a system generated greeting or to change the recording of your name, press 3.
- To change the greeting that callers hear when you're busy, press 5.
- If you don't record a personal greeting, a generic greeting will be played.
