

The logo features the CTC logo at the top left, consisting of a stylized 'C' with a red and blue swirl inside, followed by the letters 'CTC' in a blue serif font. Below this, the word 'Skitter' is written in a large, bold, blue sans-serif font, and 'Setup' is written in a large, bold, red sans-serif font. A horizontal line is positioned below the text.

CTC™ SkitterSetup

Please print this email, or have it available when setting up Skitter TV

Already Have a Roku?

If you already own an Roku 4 or better, an internet account and connection with CTC, you can use the following steps to setup your account.

- Go to Roku.com and log into your account in any web connected browser
- Go to <https://channelstore.roku.com/browse>
- Search for 'Skitter' and select + Add channel
- You may need to restart your Roku for the channel to appear in your Home screen, or you search for Skitter from Search directly on the Roku and select Add Channel
- Find the app in the home screen and move the app with * if desired
- Open the Skitter app and select Yes and press OK
- Follow the on screen prompts and add your information exactly as printed in this email for your account number and PIN

Don't have a Roku?

- Create an account at Roku.com <https://my.roku.com/signup>
- Follow the instructions for creating the account. You will need an active email account to verify and setup the account.
- At the time of your install our technician will connect and setup your Roku

**You'll need a credit or debit card or a Pay Pal account to setup a new account - no charges will be made to your card to setup an account. Your account with Roku.com is independent from your CTC account. CTC does not manage your Roku account*

When to call

If you're having trouble with your Skitter account, give us a call at 218-454-1234 any time. For questions regarding the setup and operation of your Roku see Roku support at <http://support.roku.com> or call 1-888-600-7658
