

HPBX PLATINUM PHONE SERVICE FOR BUSINESS

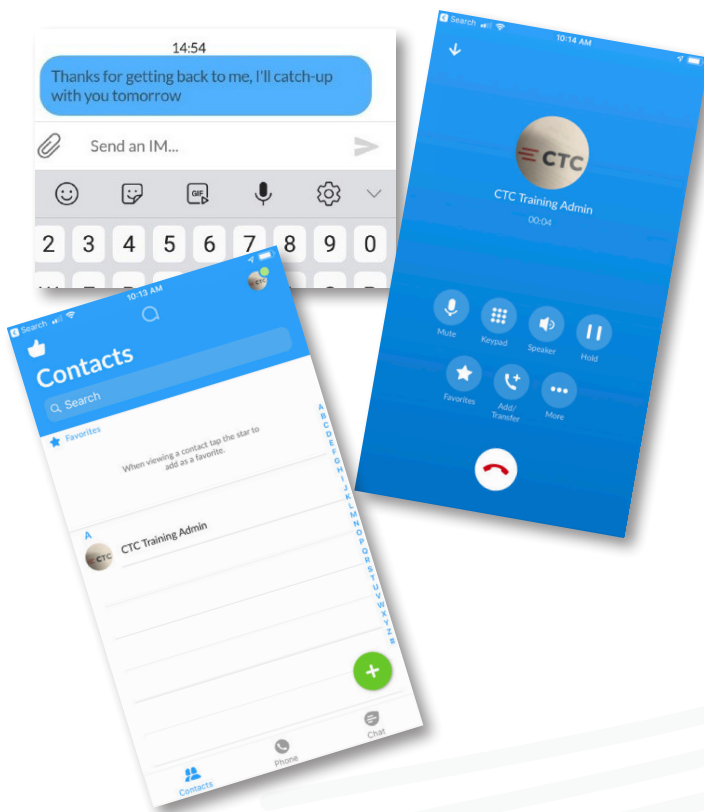

Convenience on the go.

Nervous about missing an important call?
Emergency have you out of the office?
Planning a work-cation?

CTC's Platinum Phone services give you all of the practical options in our Premium plan (like CommPortal, voicemail, caller ID, call waiting, etc.) PLUS the convenience of the Accession app and voicemail-to-text service.

Features of the Accession App:

- Make and receive phone calls on your mobile device or computer
- Use the computer's speakers and microphone (no extra equipment!)
- Make instant changes to your call settings
- Built-in chat feature allows you to easily and quickly communicate with coworkers and employees
- Immediately changes status when you're on another call
- Syncs with Outlook calendars and automatically sets your status (ie. "available", "in a meeting", "busy", etc.)

The Platinum Phone service - exclusively available for our HPBX customers - is **only \$10 per month per line.**
